Branch Manager – Worthing & Brighton

Meet Justyna, your Branch Manager for Worthing & Brighton

About me

Hi, I'm Justyna the Branch Manager for Helping Hands in Worthing & Brighton. I am excited to be managing this service and providing person centred care to my customers. Care is my passion, making positive changes in people's life's is priceless. Every day, you're helping someone in need and making their lives that little bit easier. And knowing that you make a difference to their day provides a real sense of achievement that's difficult to experience in any other role. I'm incredibly dedicated to my role and for ensuring the highest standards of care within our local community.

My experience and expertise

I'm an experienced registered manager with over thirteen years working in the health and social care sector. I have a wide range of experience including domiciliary care, mental health, learning disabilities and dementia care. This knowledge makes me well-rounded and able to understand and adapt to many situations that we are presented with, and to offer the best advice and solutions for our customers. I've gained many qualifications in healthcare including Graduated Diploma Level 5 in Healthcare Management. Currently, I'm studying for a postgraduate master's Diploma in Healthcare Management with EBMA (Education for Business Managers and Administrators).

Why I chose Helping Hands

Helping Hands is the company who shares my passion and values. Helping Hands is a company that cares; caring runs through our whole organisation. I feel valued and supported by very knowledgeable management.
